FOR IMMEDIATE RELEASE

MARCH 26, 2020

COUNTY SERVICES NOW AVAILABLE ONLINE

St. Joseph County has updated its website with a centralized listing of departments that offer online services. This listing can be found at <http://sjcindiana.com/onlineservices>. These online services include requesting public records, applying for permits, reporting thefts or damaged properties, paying your taxes, and registering to vote.

Residents can also report concerns or issues related to public health, road conditions, damaged property, or even ask general questions online at <http://sjcindiana.com/concerns>.

All of these services will remain online after normal working conditions resume, and all offices are back to working out of the County-City Building.
